

Invitation

to our 11th Bible College Consultation

with theme:

Serving the Church in Bible Education.

from 14 to 16 June 2022

So much is happening in our country, our continent, the whole world! The spiritual need seems to be greater than ever! And the Church of our Lord Jesus Christ need to be strengthened as it seems as if the pressure on her will continue to increase.

Institutions offering Bible Education have to be alert and equipped to train those that serve God in the Church. To enhance our services, we need to learn from another and support one another. The 3-day Bible College Consultation arranged by TEASA and Mukhanyo Theological College, creates an excellent platform for this interaction. Experienced leaders and lecturers from various Bible Colleges will present sessions and workshops around this theme and there will also be time to share with one another informally. Please join us!

It is our prayer that the Lord will use this event to His glory and to build up His Church. May we as theological institutions be able to say the same to our students as Paul said to the elders from Ephesus: "*I did not shrink from declaring to you the whole counsel of God.*" (Acts 20:27). Hope to see you there!

Yours faithfully,

Dr Brian A DeVries
