

# Invitation to our 10<sup>th</sup> Bible College Consultation

with theme:

## Standing Firm For Truth In Bible Education.

from 8 to 10 June 2021

Bible education in southern Africa is more important than ever, especially post-pandemic as communities struggle with additional challenges. Standing firm for the truth in theological education is also more important than ever!

It is two years since we met and we are looking forward to come together again. With this we heartily invite leaders and lecturers of Bible Schools and Colleges, Theological seminaries and related institutions to join us for the annual *Bible College Consultation* that is organised by the Theological Education Association of Southern Africa with the help of Mukhanyo Theological College.

Our aim is to bring people from different evangelical organisations and denominations together to reflect on various aspects of theological education. Several speakers with a lot of experience were invited - please come and join us. You are also free to forward this invitation to others involved in theological training who may be interested.
