

Strategic Planning for an Enduring Ministry in Africa

Where will your Bible education ministry be 25 years from now?

Biblical Vision: Our Place in God's Plan

Theological education =

God's vision for Africa =

God's place for your institution in His plan

How should we serve God in our own place (1 Cor. 3:1-15)

Biblical Strategy: Serving God's Plan Better

Strategic planning =

1. Biblical COMMISSION: Our participation in God's plan
2. Biblical OBJECTIVES: Our motives & goals in obedience to God

3. Biblical METHODS: The ways in which we work to serve God

4. Biblical ASSESSMENT: The process by which we remain faithful

Biblical Action: Standing Strong Together

What remains standing at Kuruman after 200 years?

Preparing for the tests of time and eternity

1. STRENGTHS: How is God graciously using our ministry at present?
2. WEAKNESSES: What will likely become the causes of compromise?
3. OPPORTUNITIES: What might God do with our few loaves and fish?
4. THREATS: How might society oppose or marginalize our ministry?

Envisioning the eternal legacy of Christ's kingdom

PERSONAL APPLICATION: What will you do to implement these ideas?
